Hi Manny,

Attached is our preliminary review and comments. Unfortunately, David has been out sick for the last week but he will take a look at it when he gets in and provide additional comments, if any.

I will be out of the office starting tomorrow and returning April 30th but Aaron Lee (copied on this email) will help you on this task order in my absence.

Thanks,

Teenchee Le, P.E.

Teenchee, FYI
